Multi-day Experiences

Ski pass or thermal bath?

Still unsure if you'd like to spend the next few days on the piste or relaxing in the thermal bath? With a ski pass valid for a minimum of 2 days, you can decide what your daily programme will be, within normal opening hours of the cable car facilities and the Römerbad Thermal Spa.

Why not both – Ski pass and thermal bath?

There's nothing quite like relaxing in the thermal bath after a great day of skiing. With the Skipass-and-Thermal-Römerbad-ticket you can spend up to 4 hours at the bath during the evening.

Or maybe you need a day off?

Late nights, muscle cramp, unexpected snowstorm – if you know already that you don't need to ski or relax at the thermal bath every day this ticket enables you to ski or relax in the Thermal Römerbad 5 or 6 times during your week.

Deposit for Keycard € 5.–

Additional multi-day tickets are available from www.BadKleinkirchheimer.com

Tip: Buy your ticket easily in the web shop: ticket.BadKleinkirchheimer.com
